

SUCCESSFUL COMPLETION OF A\$130 MILLION INSTITUTIONAL PLACEMENT

OCTOBER 14, 2025

Catapult Sports Ltd (ASX: CAT, 'Catapult' or the 'Company') is pleased to announce the successful completion of its fully underwritten A\$130M (US\$84M) institutional placement, which was announced on October 13, 2025 ('Placement'). The Placement is of approximately 19.5 million new fully paid ordinary shares ('Placement Shares', each a 'New Share'), equivalent to approximately 6.9% of existing ordinary shares on issue in Catapult ('Shares'). The Placement is within the Company's existing placement capacity under ASX Listing Rule 7.1.

The Placement was conducted at a fixed offer price of A\$6.68 per Placement Share ('Placement Price'), representing:

- a 7.7% discount to the last closing Share price on October 10, 2025, of A\$7.24; and
- a 8.6% discount to the volume weighted average price of Shares on ASX ('VWAP') for the 5 trading days ending on October 10, 2025, of A\$7.31.

The Placement was well supported with strong investor demand from domestic and international institutional investors, both existing and new.

Proceeds from the Placement will fund the strategic acquisition of IMPECT GmbH ('IMPECT'), a leading innovator in soccer analytics software for scouting and tactical analysis ('Acquisition'), with incremental proceeds used to strengthen the Company's balance sheet and provide capacity to pursue future strategic M&A opportunities. Further details of the Acquisition are set out in the Company's investor presentation released to the ASX on October 13, 2025.

All eligible institutional shareholders who participated in the Placement and bid for an amount less than or equal to their pro-rata share of New Shares in the Placement were allocated their full bid on a reasonable endeavours basis.¹

Catapult is expected to resume trading on the ASX prior to market opening today.

Settlement of the Placement Shares is expected to take place on October 17, 2025, with the Placement Shares expected to be issued, and commence trading on the ASX (on a normal settlement basis), on October 20, 2025. The Placement Shares will rank equally with existing Shares.

DETAILS OF THE SHARE PURCHASE PLAN (SPP)

As announced on October 13, 2025, Catapult is also undertaking a non-underwritten Share Purchase Plan ('SPP') targeting to raise up to A\$20M, which will be offered to eligible shareholders in Australia and New Zealand, and to Directors of Catapult who are US residents.

¹ See the "Pro Rata Allocation under the Placement" note on page 3.

Catapult may decide to accept applications (in whole or in part) that result in the SPP raising more or less than this amount in its absolute discretion. Under the SPP, eligible shareholders will be entitled to subscribe for up to A\$30,000 worth of New Shares ('SPP Shares'), free of any brokerage, commission and transaction costs, and subject to scale back in accordance with the policy set out in the SPP offer booklet. Further details of the SPP and the SPP offer booklet will be released in due course.

SPP Shares will be issued at the lower of the Placement Price (A\$6.68) and a 2.0% discount to the VWAP for the 5 trading days ending on the SPP offer closing date. Shareholder approval is not required for the issue of SPP Shares.

It is the intention of all Directors to participate in the SPP.

For any questions in relation to the SPP, please contact the Company's share registry, MUFG Corporate Markets, during the offer period (expected to commence on October 21, 2025) on +61 1300 554 474, or support@cm.mpms.mufg.com. MUFG Corporate Markets' office hours are 8.30am to 7.30pm (Sydney time) – Monday to Friday (excluding Public Holidays).

PRO RATA ALLOCATION UNDER THE PLACEMENT

For the purposes of the Placement, an eligible institutional shareholder's 'pro rata' share was estimated by reference to the Company's beneficial register on September 25, 2025, but without undertaking any reconciliation and ignoring any New Shares that may be issued under the SPP. Accordingly, unlike in a rights issue, this may not truly reflect the participating shareholder's actual pro rata share. Nothing in this announcement gives a shareholder a right or entitlement to participate in the Placement, which remains solely at the determination and discretion of the Company, and the Company has no obligation to reconcile assumed holdings (e.g. for recent trading or swap positions) when determining a shareholder's 'pro rata' share. To the maximum extent permitted by law, the Company and the underwriters disclaim all and any duty or liability (including for negligence) in respect of the determination of a shareholder's 'pro rata' share.
